!
TIPPING WARNING
!

**Serious or fatal injuries may occur from furniture toppling over. To help avoid this please follow the below recommendations:**

- Install the provided "Tipping Kit" as per the instructions
- Never allow children to climb on or hang off of any part of this product
- Unless specifically designed to accommodate, do not set TVs or other heavy objects on top of this product

**If this product has drawers:**

- Place the heaviest items in lowest drawers
- Do not open more than 1 drawer at a time as this may cause the product to become unbalanced
- Do not tamper with or remove any drawer interlocking/running system

**Note: The use of the provided "Tipping Kit" may reduce but not necessarily eliminate the risk of furniture toppling over. Please use this product with caution.**

*This is a permanent label. Do not attempt to remove!*

**Assembly is to be carried out by a competent adult only.**

**During assembly children should be kept away from the product due to possible risk of injury.**

**Do not use this item if any components are missing or damaged.**

**Please keep these instructions for future reference.**

# CHECKLIST

Before you start.....

1. Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
2. Check and ensure that you have all required contents for complete assembly.
3. Always read the assembly instructions carefully before beginning assembly.
4. The packaging and contents can be a choking hazard. Please keep out of reach of small children at all times.
5. Do not over tighten the bolts as this may damage the thread.

Furniture

## PRODUCT CARE:

To protect your furniture, we suggest the following:

- \*Avoid placing your furniture in direct sunlight.

- \*Do not place furniture directly under windows.

- \*Do not place sharp materials(knife, fork, etc) directly onto your furniture as sharp material may scrape and damage the finish.

Do not place material with high temperature directly onto the surface of your furniture.

- \*Protective padding is strongly recommended when using your furniture .

- \*Clean up spills quickly. Water left over a prolonged period of time may cause damage. Alcohol, perfume, nail polishes, aftershave and some medication may cause severe finish damage if not cleaned immediately.

- \*Use a clean, soft, dry, lint free absorbant cloth to clean your furniture. Do not use any detergent as they may contain ingredients that may react and damage the finish.
