PRE-ASSEMBLY PREPARATION

Before you start:

1. Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product
2. Take care when lifting. Product should be assembled as near as possible to the point of use
3. Ensure that you have all required contents for complete assembly
4. Always read the assembly instructions carefully before beginning assembly.
5. Keep all hardware parts and packaging out of reach of small children.
6. Do not over tighten the screws and bolts as this may damage the threads

IMPORTANT: CARE GUIDE FOR YOUR FABRIC CHAIR

Congratulations! You have just purchased a quality product from Amart Furniture, Australia's largest discount furniture retail store. Please read on for important care information regarding your purchase...

Regular Care:

Always protect your product from direct sunlight, direct heat, and weather.
Vacuum regularly using a low suction setting.

Cleaning:

Do not remove cushion covers for separate cleaning even though they may have zips. Do not wash. Do not dry clean. Do not use dishwashing or laundry detergents or solvents. Do not wet the internal filling.

It is recommended that cleaning be done with a hot water extraction machine only by a professional cleaner.

Spot cleaning:

Do not rub or scrub. Do not spot clean with any solvent.

Treat spills and stains as soon as possible.

Gently scrape any soil or mop and liquid from the surface of the fabric.

Apply proprietary cleaning agents to the residue of the spill, strictly according to the manufacturer's instructions.

Do not saturate the fabric or interior filling with water or other cleaning liquids.

Important note:

Apply only water-based soil resistant (fabric protection) treatments.

Do not aerosol fabric protection products.

Clean timber legs with a clean, soft cloth dampened with water.
