# **IMPORTANT INFORMATION**

## **IMPORTANT INFORMATION**

PLEASE READ THESE INSTRUCTIONS THOROUGHLY BEFORE USING THIS PRODUCT. PROPER OPERATION OF YOUR ADJUSTABLE BED IS NECESSARY TO ENSURE THE LONG LIFE AND DURABILITY YOU EXPECT FROM A HIGH-QUALITY PRODUCT.

### **1. Electrical Safety**

Please ensure you connect the base properly to the power supply. Any incorrect power connection may cause electric shock or fire. FOR OPTIMAL SAFETY, YOUR ADJUSTABLE BED SHOULD BE PLUGGED INTO A SURGE PROTECTOR (not supplied with this adjustable bed).

Always unplug this adjustable bed frame from the electrical outlet before any cleaning or maintenance of the bed frame. To safely disconnect, remove the plug from the outlet. Keep cord away from heated surfaces. Use only indoors.

### **2. Attention for moving parts**

Keep body parts clear of all moving parts to avoid injury while the product is in use. Keep moving parts clear from obstruction during operation.

### **3. In-Home use only**

This adjustable bed is designed exclusively for in-home use.

### **4. Small children and pets warning**

This products is designed to be used by adult. Do not allow children to operate this bed without adult supervision. Immediately dispose of all packing materials as they can pose a smothering risk to small children and pets. Injury could occur also if children or pets are permitted to play on or under the bed.

## **5. Lubrication and Cleaning**

This product is designed to be maintenance free. The lift motors are permanently lubricated and sealed— no additional lubrication is required. Do not apply lubricant to lift motor lead screws or any nylon nuts or the base may inadvertently creep downward from the elevated position.

## **6. LIFT WARNING**

DO NOT SIT ON THE HEAD OR FOOT SECTIONS WHILE IN THE RAISED POSITION, OR DURING LIFT OR LOWERING CYCLES.

## **7. MOVING AFTER INSTALLATION**

Do not place adjustable bed base vertically on its head or foot sections. This may cause injury to persons or damage to base. And two people are required for moving this base due to its heavy weight.

## **8. WARRANTY WARNING!**

This bed is specifically designed to require no maintenance by you, the user. Any opening or tampering with the control box, motors or hand controls (with the exception of

the battery compartment, if equipped) will void the warranty. Do not attempt to alter component wiring or adjust or modify the structure of the product in any way or the warranty will be void. Only those authorized may conduct repairs or part replacement on your adjustable bed.
