PRE-ASSEMBLY PREPARATION

Before you start:

1. Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product
2. Take care when lifting. Product should be assembled as near as possible to the point of use
3. Ensure that you have all required contents for complete assembly
4. Always read the assembly instructions carefully before beginning assembly
5. Keep all hardware parts and packaging out of reach of small children
6. Do not over tighten the screws and bolts as this may damage the threads
7. Do not use a knife when opening
8. Read carefully all electrical safety usage warnings

WARNING

Do Not allow children to play on this mechanised furniture or operate the mechanism. Leg rest folds down on closing so that a child could possibly be injured. Always leave in an upright and closed position. Keep hands and feet clear of mechanism. Only the occupant should operate it.

PARTS LIST

①		Seat	1pc
②		Back	1pc
③		Left Arm	1pc
④		Right Arm	1pc

You may need a screwdriver to remove back of recliner

Caution! Do not allow children to play on motion furniture or operate the mechanisms, Serious injury or death may result. Leg rest folds down upon closing potentially causing crushing, pinching or severing of limbs, The furniture may be unstable in its extended position. If unattended always leave in an upright and closed position. Only adults should operate this mechanism. Always keep hands and feet clear of the mechanism.

STEP 1: Install back ② on seat ①.

STEP 2: Install armrest ③ and ④.

STEP 3: Assembly complete. To operate the recliner, use the handle on the side of the base.

ASSEMBLY IS COMPLETE
