Care and maintenance

Cushions

- Direct exposure to the sun's harmful UV rays is likely to cause rapid colour fading to fabrics.
- To ensure product longevity it is recommended outdoor products are not left permanently exposed to the elements.

Wicker

- Regular vacuuming and dusting of items is recommended.
- If weave on wicker becomes lacerated/damaged, Do not pull on as this may cause unravelling.
- Prolonged exposure to the elements may cause colour fading.

Glass

- If the glass is chipped or broken, stop using the product and consult place of purchase .
- Do not drop, drag or strike glass .
- Do not sit or stand upon the glass surface .
- Do not place very hot or cold items on the glass surface unless adequately thick table mats are used to prevent such items coming in contact with the glass .
- Do not place heavy objects on glass .
- Avoid scratching the glass or using as a chopping surface .
- Do not strike the glass with hard or pointed items .
- When cleaning the glass panels use a damp cloth with washing up liquid or soft soap if necessary. Do not use washing powders or any other substances containing abrasives since these may scratch the glass.
