PRODUCT CARE:

TABLE

1. When assembling your table please ensure that you have checked the contents for all relevant parts.
2. When tightening bolts make sure that they are fully tightened but not forced.
3. When moving your fully assembled table, take care when lifting and always have two people handling the table. PLEASE DO NOT DRAG THE TABLE as this will cause damage to the leg.
4. It is advisable to use approved cleaning products when cleaning the table as certain chemical based cleaners could have an adverse effect on the table finish.
