PRE-ASSEMBLY PREPARATION

Before you start:

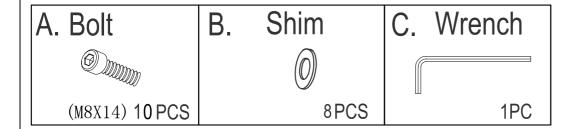

- 1. Choose a clean, level, spacious assembly area. Avoid hard surfaces that may damage the product.
- 2. Take care when lifting. Product should be assembled as near as possible to the point of use.
- 3. Ensure that you have all required contents for complete assembly.
- 4. Always read the assembly instructions carefully before beginning assembly.
- 5. Keep all hardware parts and packaging out of reach of small children.
- 6. Do not over tighten the screws and bolts as this may damage the threads.

Care and maintenance

Safety:

- Umbrellas are not permanent shade structure.
- Completely close and store in a dry place when not in use.
- Using this umbrella in strong winds can cause damage to the Umbrella, property and may also be a danger to people.
- Domestic free standing umbrellas are not recommended for exposed environments such as high balconies or roof tops.

Wind:

• Excessive wind puts great stress on the frame, so please fully collapse this Umbrella in high wind conditions and when not in use.

Fabric:

- Do not store when wet as mould can occur.
- Do not allow sunscreen, san tan oil or insect repellent to come into contact with the fabric as staining may occur.
- Avoid placing the Umbrella in areas where trees and plants can drip sap onto the fabric.

Cleaning:

- Spills and dirt should be removed immediately to avoid staining.
- · Blot spills with a clean, dry cloth and avoid rubbing.
- Dust can be removed simply vacuuming or brushing with a soft brush.
- Spot wash individual dirt/stains with lukewarm mild soapy water with a soft bristled brush.
- Be sure to rinse thoroughly with fresh water and leave umbrella open to fully dry.
- Do not clean in direct sunlight.
- Do not use harsh cleaning products or pine oil cleaners.
- For persistent stains, consult a professional cleaner.

Frame/Base:

- Wipe clean with a soft cloth or soft bristled brush.
- For dirt/grime, use a mild soapy water with soft cloth.

Storage:

- When not in use, close the umbrella and store in a dry place.
- Use an umbrella cover where possible.
